The rate of compensation proposed by the Civil Officer for dry lands is reasonable in view of the present conditions. The prices of food stuffs are ruling high and the owners of lands have to pay high prices for even such commodities as 'ragi' and 'jola' which are given as interest. Loss of fodder to the cattle has also to be taken into account. The recommendation of the D.C. may therefore be allowed.

With reference to the correspondence ending with your memo No. 1153-4/W dated the 19th August 42 forwarding a copy of letter No. Pol 408 of date to the Residency on the above subject, I have the honour to state that the Sub Division Officer and Civil Officer Bangalore has reported (copy enclosed for favour of reference that the Military authorities have decided to take up an additional extent of 179 acres and 1 gunta in the channasandra village, exclusive of *marginally noted lands permitted to be occupied in your letter to the Residency. These are agricultural lands with crops on them. They were selected after inspection by a sitting Board on 3-9-42. As at present arranged, the total area to be occupied by the Military for the Ordnance Depot is reported to be as follows:-

Compensation at the rate of Rs. 30/- per acre for the agricultural lands had been originally recommended to be paid ~~paid~~. The compensation payable at

payable at this rate on the total area of private agricultural lands leaving gomal and other waste lands come to Rs. 10,821-10-0 annually. Ground rent of Rs. 120/- a year is payable to Dr. Albuquerque and Mr. Staggs for their lands permitted to be occupied (Vide your letter No. Pol 399 dated 18th August 1942 to the Residency). Thus the total amount of compensation payable by the Military authorities annually comes to Rs. 10941-10-0. Orders of Government may kindly be obtained for the occupation of the above area by the Military, subject to the payment of annual compensation as detailed above.

No 3 (Likhit) As regards the Kadugodi plantation permitted to be occupied, (Vide your letter No. Pol. 2249 dated 29th May 1942, to the Residency) the Chief Conservator of Forests has been requested to intimate the amount of compensation payable. Letter B1 2152/41-42 dated 26th Octr. 42 from the Sub Division Officer, Bangalore Sub Division, Bangalore.to the Deputy Commissioner Bangalore District.

Subject:- Lands required for the Ordnance Depot near Whitefield Railway station.

I have the honour to state that Government in their letter No. Pol. 408 dated 19-8-42 from the Chief Secretary to the Secretary to Honourable the Resident in Mysore, Bangalore, accorded sanction for the occupation of 240 acres of agricultural lands in the limits of Kadugodi and chennsandra of the Hoskote taluk and a small extent of about 10 acres in the Jodi Pattandur village of Bangalore South Taluk. In addition to this the military authorities have decided to take up an extra area of 179 acres 1 gunta in the Channasandra village adjacent to what has already been taken up in the same locality. Thus the total area to be occupied by the Military for the Ordinance depot will be as follows.:-

Kadugodi	210 acres	39 guntas.
Channasandra	198 "	2 "
Jodi Pattandur	10 "	0 "
Total	419 acres	1 gunta.

There are agricultural lands with crops on them and they were selected after inspection by a sitting Board with Major Stubbs from the Bangalore Area on 3-9-42. It had been proposed to pay Rs. 30/- per acre as crop compensation for 240/- acres. But the owners demand a very high rate now on account of dearness of provisions and the payment of crop compensation at Rs.35/- as in the case of Krishnarajapuram lands appears to be most equitable under the existing circumstances.

Leaving gomal and other waste lands coming within the above area, the net compensation payable on the total extent comes to Rs. 10,821-10-0.

An extent of 29 acres 23 guntas belonging to Dr. Albuquerque and Mr. Staggs in the vicinity of the Ordnance Depot has already been placed at the disposal of the Military authorities subject to the payment of a ground rent of Rs. 120/- in round figures at Rs. 4/- per acre.

Orders of Government may therefore kindly be obtained for the occupation by the Military Authorities of the above area opposite to the Whitefield Railway station subject to the payment of the annual compensation of Rs. 10,821-10-0 and Rs. 120/- in all Rs. 10,941-10-0.

If the lands are rendered unfit for further cultivation by the construction of rail roads by deep cuttings, those lands have to be permanently acquired. This can be decided later on.

Compensation due for the occupation of the Kadugodi forest plantation measuring 750 acres by the Ordnance Depot is not included here. This amount may kindly be ascertained from the Forest Department.
